Association

November 2006

Big Three Classic slated for April 27-29, 2007

Three NRHA affiliates have teamed up to co-sponsor a new reining. It is called the Big Three Classic and is being co-sponsored by MWRHA, Illinois RHA, and InRHA.

The chairs for the show are Shannon Fowler, Angie Honeywell, Jill Kasper, Dottie Smith, Bud Sprouse, Doug Bogart. The show will be held at Gordyville in Rantoul, Illinois on April 27-29, 2007.

There is discussion of including a Derby class

as well.

As always, we are counting on sponsorship from our memberships to make this a success. This year, there were no shows locally after the Breeders Cup for up to 6 weeks. This will provide the memberships a place to show in that time frame without having to travel long distances.

More details to follow. Mark April 27-29 on your calendar and plan to attend!!

Officers needed for next term.

We will have the President, Vice President and Secretary positions available in the next elections.

Please consider moving into service for MWRHA so we can continue to have nice events and serve the local reining enthusiasts. Please call one of the officers listed to nominate yourself for officer or board positions.

MWRHA Year End Banquet and Fundraiser

The MWRHA Year End Banquet and Fundraiser will be a great time! Clear your schedules for Sunday, January 21, 2007.

We will be celebrating with the 2006 MWRHA Champions in Oak Brook Illinois. The Braxton Seafood and Grill will be hosting us. This upscale

restaurant is located in the Oak Brook Shopping Center on 22nd St. and Hwy 83 off of 294.

We will be having entertainment from the Denver Stock Show followed by dinner and awards. Following the awards, we will hold our fundraiser. We will be auctioning off

many horse and non-horse items. We are bringing back auctioneer Joe Wiczorek so prepare for some laughs, while you support MWRHA!

This will benefit the Derby for the Big Three Classic held in April so either donate or bid generously if possible. Either way come and enjoy!

MWRHA.COM

At long last, our website is being re-done. You will see it, part by part, being updated and revamped. We plan to have it launched in its final form by January

1st.

After that, it should be current at all times. If you have questions regarding MWRHA issues in the meantime, don't hesitate to email me at
