

MWRHA POINT SYSTEM

The MWRHA point system is as follows:

- a. Points will be assigned for each horse or horse/rider combo (class dependent) participating in MWRHA Year End Award classes at each of the current year MWRHA approved shows. To be eligible for the MWRHA Year End Awards, members must show in a minimum of 50% of the approved MWRHA shows in a designated class to count toward that class' Year End Award.
- b. Points will be assigned to the horse/rider combos in the following classes: Youth 13>, Youth 14-18, Ride and Slide Non-Pro Level II, Green Reiner Level I and II, Rookie Level I and II, Prime Time Rookie, Novice Horse Non-Pro Level I and II, Limited Non-Pro, Intermediate Non-Pro, Non-Pro, and Prime-Time Non-Pro where the owner(s) and rider are paid-up MWRHA member(s).
- c. Points will be assigned to the horse in the following classes: Novice Horse Open Level I and II, Green Horse, Rookie Professional, Limited Open, Intermediate Open, Open, and Open Ranch Riding where the owner(s) and rider(s) are paid-up MWRHA members.
- d. MWRHA horse or horse/rider combos receiving a zero (0) score will be eligible to receive points for that class and will be included in the horse or horse/rider counts for that class.
- e. MWRHA horse or horse/rider combos receiving a DQ or a No Score will not receive points for that class, but will receive credit toward the 50% rule for showing and will be included in the horse or horse/rider counts for that class.
- f. MWRHA horse or horse/rider combos scratching from a class will not receive points for that class, will not receive credit toward the 50% rule for showing and will not be included in the horse or horse/rider counts for that class.
- g. A maximum of 6 points will be assigned to qualified/paid-up MWRHA members participating in a respective class, at a respective show. Points will always be awarded starting with 6 pts even if there are less than 6 MWRHA horse or horse/rider combos in the class.

THE MWRHA scoring system will be as follows:

- 1) Highest scoring MWRHA horse or horse/rider combo (class dependent) - 6 pts (maximum)
- 2) 2nd highest scoring MWRHA horse or horse/rider combo (class dependent) - 5 pts
- 3) 3rd highest scoring MWRHA horse or horse/rider combo (class dependent) - 4 pts
- 4) 4th highest scoring MWRHA horse or horse/rider combo (class dependent) - 3 pts
- 5) 5th highest scoring MWRHA horse or horse/rider combo (class dependent) - 2 pts
- 6) 6th highest scoring MWRHA horse or horse/rider combo (class dependent) - 1 pts

In the event of scoring ties in a class between paid-up MWRHA member horse or horse/rider combos, the total points to be assigned for those tied places will be added together, averaged, and an equal number of points assigned to each of the tied MWRHA horse or horse/rider combos.

MWRHA TIEBREAKER SYSTEM – Year-End ties will be declared co-champions.
